RE: THE HEADTEACHER'S REPORT ON THE VISIT OF CESS AND MAUREEN
FROM HOLLAND.

I'm indeed grateful to the visitation of the precious teachers; Cess and Maureen, who visited our school between 28th April and 7th May, 2010.

I hereby sincerely report that we had a great learning opportunity and experience for both teachers and pupils of Andersen Primary School.

Cess and Maureen are just wonderful teachers. Their teaching methods, strategies and approaches are quite amazing! They guide learners to discover things independently, in groups, and talk about their achievements individually. This aspect of learning was so thrilling to the pupils.

It was unfortunate that we had to part, but we long to meet and interact again. Thank you Cess, thank you Maureen for your skillful hard work. Your friends – grades six and seven miss you big!

We are grateful and proud of the learning materials you gave us, i.e the anemometer, thermometers and especially the microscope!

See you sooner.

Yours sincerely,
Eliud Mung'oma
Head Teacher.
